## Report For Oprah Winfrey

### Moon

#### Oprah's Moon in Michael J.'s 9th House

Your feelings can open up Michael J.'s world more than you imagine, so don't hesitate to be expansive and carry on as much as you want, as it will likely be welcomed. Just listening and responding may be all it takes to be the teacher.

#### Oprah's Moon Sextile Michael J.'s Jupiter

You are innately supportive of Michael J.'s more ambitious and expansive side and will lend a hand emotionally, even if you're not physically involved in the game. What looks good to Michael J. feels good to you -- don't hesitate to say so.

#### Oprah's Moon Sextile Michael J.'s Saturn

You don't need to censor your reactions, because you will likely never step out of bounds with Michael J., whatever those boundaries seem to be. In fact, your feelings tend to reinforce the boundaries Michael J. has put on life, putting you on the inside.

#### Oprah's Moon Conjunction Michael J.'s Midheaven

You naturally promote Michael J. without necessarily meaning to. What you hear you like and you pass it on. Michael J. should be glad of that and listen to what you have to say for general self-benefit. And, of course, you'll be the first to say that.

### Sun

#### Oprah's Sun in Michael J.'s 12th House

It can be easy to sneak up and blindside Michael J. if it is to your advantage, but don't exploit weaknesses unless there is a real reason, because once you do, you'll always be seen as a threat. Where there is vulnerability, it's better to heal.

---

### Oprah's Sun Square Michael J.'s Moon

When you let your little light shine, don't expect instant hand-in-glove reactions from Michael J., who may have a different or even opposite take on what style to adopt. Working well together may mean adaptation, so don't make assumptions.

### Oprah's Sun Trine Michael J.'s Sun

As far as personalities go, you can proceed like two charioteers in a grand parade, side by side but dressed in different array. Common themes unite your individual distinctions so you make up a complementary set. Room for ego without ego problems.

### Oprah's Sun Square Michael J.'s Venus

You may not be able to impress Michael J. by force of personality alone -- in fact, the more ego you display, the worse it may get. Find other places to establish common ground where dazzling each other is not the issue.

### Oprah's Sun Opposition Michael J.'s Mars

Competition may spark or mar this relationship, and if it gets too hot, back off to avoid the punches. Avoid wasting each other's energies in beating around the bush, repositioning. Define mutual goals or establish separate ones.

### Oprah's Sun Conjunction Michael J.'s Jupiter

You are the perfect person to support and put the big yes to Michael J.'s most ambitious ideas and innovative plans. Your honest support helps turn tentative enthusiasm into a real strategy for growth, expansion, and success.

### Oprah's Sun Conjunction Michael J.'s Saturn

You have a special way of lifting Michael J. up out of the doldrums and sending them off to the races. You have a cheering effect that helps knock down self-imposed limits and opens up the window to let the sunshine in. Just don't let Michael J.'s attitude get you down in the process.

### Oprah's Sun Sextile Michael J.'s Midheaven

Anything you say about Michael J. can and likely will be seen as favorable. Even passing praise is looked upon as solid support and background underpinnings for Michael J.'s reputation. It's not something to strive for, as it's honest and comes naturally.

### Oprah's Sun Conjunction Michael J.'s Ascendant

It's a mutual pat on the back where your interests are closely allied and
